

7" SURFACE MOUNT MD DOWNLIGHT

PF-SM7R-LED-MD-15W-30K-WH

DESCRIPTION

7" LED Ultra-Slim Downlight, with a MD profile that matches the battery-backup EM fixture. An affordable alternative to air-seal IC recessed housings or fire-rated boxes. Driver-On-Board technology eliminates the demand of a traditional LED driver and still dims with industry standard TRIAC / ELV dimmers. Suitable for dry, damp, or wet locations.
