

MYSTRAS WALL SCONCE + PHOTOCCELL & EM BATT PF-WS-618-27K-BK-SREM

DESCRIPTION

With lithium battery-backup module inside the 6"x18" outdoor wall sconce fixture, this emergency kit offers 90 minutes of light when all power goes out. Integrated battery offers a switching time of less than 1 second, protection of overcharge and discharge, and self-checking function. Can be fully charged in 24 hours and has a test button. It offers great security and is an excellent general lighting kit for indoor & outdoor spaces.
