

## 16" LED SURFACE MOUNT DOWNLIGHT

PF-SM16R-LED-30W-30K-WH

### DESCRIPTION

16" LED Ultra-Slim Downlight, featuring Edge-Lit technology to produce a smooth, uniform and reduced-glare lighting effect. An affordable alternative to air-seal IC recessed housing or fire-rated boxes. Driver-On-Board technology eliminates the demand for a traditional LED driver and still dims with industry standard TRIAC / ELV dimmers. Suitable for dry, damp, or wet locations.

### ADDITIONAL INFORMATION

Compatibility: installs into standard J-box applications

3 1/2"
