

KEOS SCONCE

48": PF-WS-548-30K-BK

72": PF-WS-572-30K-BK

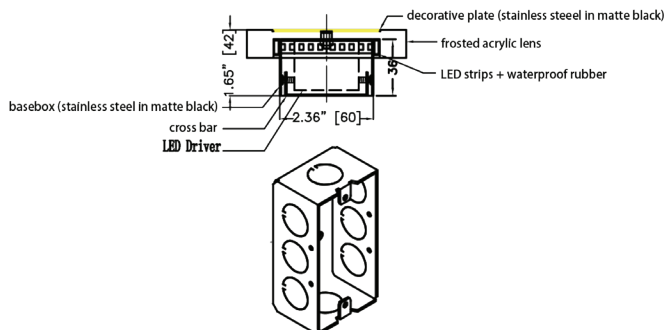

DESCRIPTION

The 48" and 72" Keos sconce features a sleek, design suitable for wet, dry and damp locations. Light from the integrated LED is directed to the sides of the fixture through polycarbonate diffusers. The minimalistic rectangular silhouette gives the fixture a distinctly modern expression. It can be easily mounted horizontally or vertically. Dimmable 700% to 70% with ELV dimmers.

ADDITIONAL INFORMATION

This fixture can only be mounted on a 2"x3" switch box
